

Information about BJK Insurance Brokers

Since 1996 BJK Insurance Ltd has arranged an exclusive insurance package for Youth Clubs and Youth Organisations, underwritten by one of the countries leading insurance companies.

Our expertise, experience and technical knowledge, coupled with the partnerships that we have developed with the County Youth Associations has meant that we are now recognised as being at the forefront of insurance brokers in arranging insurance cover for Youth Organisations in the UK. Under this Scheme we cover Youth Club projects, Single Activity Clubs such as Boxing Clubs and Gymnastic Clubs etc, Motor Projects and Drop-In Centres/Cafes and Play Schemes which operate for holiday durations, i.e. Summer Holidays, Christmas Holidays etc. We also cover a broad range of hazardous activities for example Abseiling and Climbing. A full list may be obtained. We offer a Combined Liability package, which covers Employers Liability including Volunteers with a limit of indemnity of £10 million and Public Liability with a limit of indemnity of £5 or £10 million. Personal Accident cover is available and is purely optional.

The Youth Club scheme that we operate has the following criteria. The age range for club members is 5 to 25 years old. The clubs should run as a membership scheme, so we ask for a signing in book or a register. The young people must be supervised at all times and the youth club needs to affiliate to their Local Youth Association. We request that the following mandatory risk management policies are in place:

Child Protection	Health & Safety
Risk Assessment Policy	Staff Vetting Policy
