

**YOUTH CLUBS HAMPSHIRE AND ISLE OF WIGHT**  
**Working to enable young people to fulfil their true potential**

**CHARITY DIRECTOR/ADVISOR (Volunteer)**

- Have you got a way with words?
  - Are you enthusiastic and determined; do challenges excite you?
- Do you have a proven track record in obtaining funding from grants and trusts?

Established in 1942, Youth Clubs Hampshire and Isle of Wight is the largest none faith-based, non-uniform young people's organisation in the wider-Hampshire area. We believe young people deserve access to high quality youth work services that will help enable them to achieve their true potential and we provide a wide range of different services to try and ensure this happens.

We are looking for someone with significant Charity experience and expertise to support our Board of Directors either as a Director or as an Advisor to the Board.

The commitment we are looking for is: we would ask you to prepare for and to attend Board Meetings (approximately 2 hours 4 times per year including our Annual General Meeting). There may also be occasions when the Chief Executive will require some additional support from you. You may also be asked to attend Finance Meetings on occasion.

You will use your knowledge and contacts to alert YCHLOW to likely sources of funds and will advise the Board and staff on what makes a good funding application. In negotiation with the Chief Executive you will proof read a cross section of applications for Charity funds and give support and feedback to help ensure YCHLOW is maximising its chances of a successful application.

If you think you would be interested in supporting us or you would like to find out more about us please do get in touch for an informal chat. You can also visit our website [www.ychiow.org.uk](http://www.ychiow.org.uk) to find out more information about our work.

How to contact us:

- Telephone: 01962 852307
- Email Ally Lee-Dudley, Chief Executive: [ce.ychiow@gmail.com](mailto:ce.ychiow@gmail.com)
