

**FUNDRAISING DIRECTOR/ADVISOR (Volunteer)**

Can you make something from nothing?

Are you hard working, creative and well organised?

Do you work well alone and as part of a team?

Established in 1942, Youth Clubs Hampshire and Isle of Wight is the largest none faith-based, non-uniform young people's organisation in the wider-Hampshire area. We believe young people deserve access to high quality youth work services that will help enable them to achieve their true potential and we provide a wide range of different services to try and ensure this happens.

We are looking for someone with Fund Raising experience and expertise to support our Board of Directors either as a Director or as an Advisor to the Board.

The commitment we are looking for is: we would ask you to prepare for and to attend Board Meetings (approximately 2 hours 4 times per year). There may also be occasions when the Chief Executive will require some additional support from you. You may also be asked to attend some Finance Group meetings.

The organisation currently has a highly successful Fund Raising committee who raise funds by running events. Your area of responsibility will be to explore additional ways to raise funds and you will work closely with the Chief Executive, in the first instance, and other staff to achieve this aims.

If you think you would be interested in supporting us or you would like to find out more about us please do get in touch for an informal chat. You can also visit our website [www.ychiow.org.uk](http://www.ychiow.org.uk) to find out more information about our work.
