

**YOUTH CLUBS HAMPSHIRE AND ISLE OF WIGHT**  
**Working to enable young people to fulfil their true potential**

**YOUTH WORK DIRECTOR/ADVISOR (Volunteer)**

Are you passionate about high quality youth work for young people?

Can you share your own youth work skills, knowledge and experience with others?

Do you have the capacity to think small and big; operationally and strategically?

Established in 1942, Youth Clubs Hampshire and Isle of Wight is the largest none faith-based, non-uniform young people's organisation in the wider-Hampshire area. We believe young people deserve access to high quality youth work services that will help enable them to achieve their true potential and we provide a wide range of different services to try and ensure this happens.

We are looking for someone with significant Youth Work experience and expertise to support our Board of Directors either as a Director or as an Advisor to the Board.

The commitment we are looking for is: we would ask you to prepare for and attend Board Meetings (approximately 2 hours 4 times per year including our Annual General Meeting). You may also be asked to lead or be part of additional working sub-groups. There may also be occasions when the Chief Executive will require some additional support from you.

You will have responsibility for advising the organisation about current issues relating to youth work to ensure that the work of the organisation stays relevant to the needs of young people, youth projects and local communities. The organisation's work is guided by its strategic development plan. The Youth Work Director will have responsibility for devising, monitoring and reviewing this plan in conjunction with the Chief Executive.
